Box Patent Application
Honorable Commissioner
of Patents and Trademarks
Washington, D.C. 20231

Sir:

This is a request to file a Continuation Patent Application pursuant to 37 C.F.R. §1.53(b) of U.S. Patent Application, serial number 09/483,681, filed 1/14/2000 (Attorney Docket TER-008 -- currently co-pending), hereafter referred to as the parent application.

The inventor's names, addresses and citizenships are the same as given in the TER-008 patent application identified above.

The attorney's Docket Number of the parent case is TER-008. The attorney's docket number of this continuation case will be TER-008.1C

Kindly address all communications regarding this application to:

Ronald Craig Fish

FAX (408) 776-0426

This application discloses and claims only subject matter disclosed in the parent application whose particulars are set out above and the inventors in this application are the same as the inventors in the parent applications identified above. Enclosed are true copies of the specification, drawings and claims and declaration originally filed in the parent case TER-008 on 01/14/2000.

The TER-008 patent application, Serial Number 09/483,681, identified in the first paragraph hereof, in which no patenting, abandonment of, or termination of proceedings has yet occurred, is currently co-pending and was filed on 1/14/2000. There is currently a final rejection pending in the parent application, time for response to which has been set to expire on 12/11/2003, this continuation having a filing date of 12/8/2003 by the express mailing procedure authorized by 37 CFR 1.10 thereby entitling this continuation to a priority date of 1/14/2000 under the provisions of 35 U.S.C. §120.

Please amend the Rule 1.53(b) Continuation application filed herewith by inserting as the first line on page one, "This is a continuation application under 37 C.F.R. 1.53(b) of U.S. Patent Application, serial number 09/483,681, filed 1/14/2000 (Attorney Docket TER-008 -- now co-pending)."

Enclosed are true copies of the specification, drawings, claims and signed declaration originally filed in the parent case.

Enclosed herewith is a preliminary amendment cancelling all the original claims and adding three total claims, two of which are independent with one dependent claim.

This continuation application is filed in large entity status, and a check for the fees calculated below is enclosed:

Large Entity Filing Fee	\$770
-------------------------	-------

Extra Claims Fees for two extra independent claims in excess of 3 2 x \$86 = \$172

Total Fees To Be Charged to Deposit Account \$942

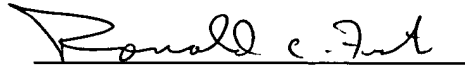

No new oath or declaration is required as this is a continuation of the parent case disclosing no new subject matter.

Kindly charge the above calculated fee of \$942 plus any additional fee required at any time during the prosecution hereof to keep this case from becoming abandoned to deposit account 06-0932 or credit any overpayments to deposit account 06-0932.

The power of attorney appears in the original papers in parent application TER-008 and is to the undersigned, Ronald Craig Fish, Reg. No. 28,843.

Respectfully submitted,

Dated: December 8, 2003

Ronald Craig Fish
